

Donation Form

Dear friends and supporters,

Greetings from Viriya Community Services!

There are two special reasons to give in year 2015. First as part of SG50, the Government is inspiring all to join us to care for the needy in society and will extend her dollar to dollar matching grant on all donations raised from 31 December 2014 to 31 March 2016. Second, the income tax deduction on qualifying donations made only in the year ending 31 December 2015 will be raised to 3 times, up from 2.5 times.

We give out of compassion and loving kindness when we know that there are people who are in need of help. When our act of giving comes from our heart and mind, we will feel joyful because, in our little way, we have come together to make a difference in the lives of the people who are less fortunate than us.

Giving is also a secular act, regardless of faith and race. Every gift is of value to our beneficiaries.
